Tiger Shark Studios: January/ February 2013.

Happy New Year and Gung Hay Fat Choy, Welcome to the year of the Snake. I'm proud to announce the launch of the TIGER SHARK STUDIOS, YouTube Channel. Here is the link:-

This is going to cover art workshops, tutorials, reviews and general art information. I will continue the newsletters for now.

The plan moving forward is to put all news on the channel. Constructive comments and critiques are welcome.

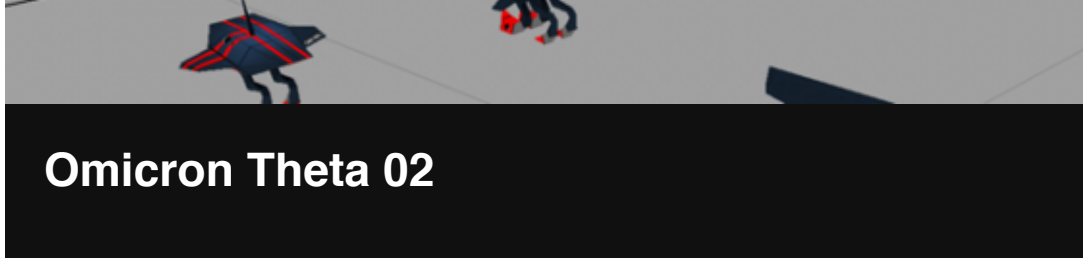

I've been super busy putting the finishing touches on what is going to be our biggest asset launch to date. **Omicron Theta Battle Force** is getting the final touches put on it. Initial role out is marked for March 1st and then subsequent weeks moving forward. I've included some images.

I want to thank you all for support Tiger Shark Studios, it's appreciated. See you all soon.
